I (Terry Kirkpatrick, Ontario) started with Robert-James Sales in February 2018. This has been very exciting for me and I plan to continue to help grow the Southern California market. I have been in Outside Sales for close to 30 years. I have been married to my beautiful wife for over 31 years. We have two children, Robert, Ashlynn and a Daughter in-law Dallas. We also have three granddaughters, Shayleen(9), Anastasia(3) and Shiola(2). I like to play golf (when I can) and love to grow a vegetable garden. I look forward to many great years with Robert-James Sales.

19 year old, PFC Alana M. Nichols, the daughter of Cherie Nichols who has been employed by Robert James Sales in the Accounting department since January 2011.

The Marines operate as the primary deployment force of the United States. Living by the motto “Semper Fidelis (Always Faithful)”, the Marines are trained to be prepared for immediate action on land, on sea or in the air. Individually, Marines endeavor to present the qualities of honor, courage and commitment at home and abroad. PFC Nichols, Alana M. has chosen this proud path in life. She began this journey less than a year ago and has shown continual perseverance and endurance. Learning to live life as a Marine has its own challenges and unexpectedness that has become her norm right now. Through it all we have seen her grow with confidence, living each day with discipline, being respectful to her superiors and adjusting to the adversity of military life. While there are many important aspects to being a Marine, holding a high standard of physical

USMC fitness is one of the many requirements necessary therefore she has become both physically and mentally stronger. Although this is only the beginning of her great adventure, the Marine bases are her home for now, a place for her to belong, forming bonds of friendships and memories that will last her a lifetime. We have learned she is a Marine now, an adult that is committed to defend our great nation. Our hearts are filled with pride and honor and overflowing love for her. She has deemed herself worthy of being called a United States Marine and has earned her Eagle, Globe and Anchor.

She will always be our little girl...our little girl who has chosen the path of “Once a Marine, Always a Marine”...for that we stand proud!!

Employees at Robert-James Sales Corporate & Buffalo branch helped donate 19 plus care packages to Marines that couldn't be home for the holidays. Thank you for everyone that donated and Cherie Nichols for organizing. Cherie did a great job!
